

Monty Halls

Testimonials

'Monty Halls gave an outstanding presentation at our Harrogate and Hull Conventions. His talk was engaging, humorous and challenged our audience to step outside of their comfort zones. This guy has been there, done it and really knows how to talk about it!

I would recommend him to any organisation or conference needing a truly inspirational speaker. Great value!

Yorkshire International Business Convention

'The event went even better than we could have hoped and Monty was a delight. He had obviously spent some considerable time before the event, incorporating our key messages into his presentation and the resulting mix was both entertaining and informative. Our Execs were so pleased that we were able to find someone who could deliver a message with so much humour and honesty.'

Vignette

'Monty's style is very engaging, informal and was entirely appropriate for our Team Manager community. He was very inspirational and gave a lot of practical advice that was put across in a very simple manner with an excellent mix of humour. The feedback from business and learning and development team was fantastic. We give him ten out of ten for content, relevance, entertainment and style!'

Intelligent Finance

Your presentation really was quite superb and totally met my brief. It was interesting, engaging, funny, exciting and as I say totally hit the mark with the brief and more importantly the team. Several people stated that you were the best motivational speaker we've ever had.

Cancer Research UK

'Two standing ovations! Monty was excellent, relaxed and professional. Key objectives were met and messages on effective leadership were well delivered in a fun and engaging manner. The audience loved Monty for two reasons: his engaging and entertaining presentation – and he's a handsome bloke! Overall? Excellent!'

Advantage Travel

'Monty's style and delivery is relaxed, confident, humorous, engaging, relevant. We chose Monty because we thought he would have a wide appeal among our diverse workforce. He did not disappoint. Whilst his presentation was extremely entertaining, the lessons on change, leadership and planning were most apt.'

Monty had a difficult job. He was a last-minute replacement for a high-profile speaker who had withdrawn, but within minutes he had completely won over the audience. His combination of presentation, video, anecdotes, humour and learning was very well received.'

London & Quadrant Housing Trust

'His talks were riveting; his enthusiasm, energy and deep interest in his subject matter comes through. Monty uses the whole stage area and his body to talk, striding around the stage, across the screen-pictures pointing and illustrating, demonstrating with his body the movements of the fish etc. Around the ship he readily talked to passengers.

'When Monty left in Gibraltar, I had people coming up to me and asking: "Where is Monty?" "Gone", said I, "Oh dear" said they, "I wanted to say goodbye to him such a lovely man" (etc etc). Quite crestfallen they were. I think we can say he was a hit both on and off stage!'

P&O Cruises

'We wanted our conference to end with a bang – and with Monty we got something on an atomic scale. Hire him whilst you can still afford him, and remind everyone to fasten seatbelts and extinguish cigarettes before the talk begins!'

Tropicana Drinks plc

'Enthusiastic and engaging; inspiring and thought provoking for all present. The fact that Monty spared time up-front to understand our business and some of our present challenges meant that he was able to make the content of his leadership talk relevant to our delegates. We wanted someone who was able to motivate, inspire and at the same time be practical and Monty did this.'

Vertex Financial Services

'I have been attending these conferences for a decade, and that is the best presentation I've ever seen.'

Investors In People

'Monty's delivery was fun, personal and energetic. We wanted to have someone in to talk about leadership and decision-making: using media, his personal experiences, and interacting with us to discuss points of interest, helped facilitate this. He was energizing and held interest all the way through. It is a very lively department and culture which Monty fitted well into.'

NHBC

'Anyone interested in highlighting the importance of good leadership and teamwork should listen carefully to what Monty Halls has to say.'

Dixon Giles & Co Leadership Development

'Inspiring, funny, highly informative and a real glimpse of the effect of stress on the human animal. The highlight of our conference.'

Focus Solutions Group

'Without doubt, your talk to our conference delegates was one of the most inspirational and entertaining that we've had for years. Monty is an outstanding speaker and even audiences who are jaded by conference overload are electrified by his passion and zest for life. He left our delegates buzzing.'
