**Testimonials**

‘FANTASTIC! What a great talk, it kept me up thinking, mind whirring and the feedback has been sensational.’

*The Buzz Recruitment Co*

‘We get many explorers talking to us here at the Society, but Neil’s presentation was one of the very best.’

*John Blashford-Snell (Scientific Exploration Society)*

‘Neil is an inspirational speaker. He has a fascinating story to tell and draws relevant lessons from both success and failure.’

*Nokia Telecommunications*

‘Your lecture was extremely well received and rated very highly by the delegates. "Inspirational" was a word used often to describe your talk on our evaluation forms.’

*NHS Education South Central*

‘Neil is a maverick who has certainly lived life to the full. We very much enjoyed listening to his tales of mountaineering in every continent.’

*Carphone Warehouse*

‘You will be delighted to hear that I received emails and spoke to many who really enjoyed Neil’s view of one of the remoter ends of our planet. A really interesting presentation.’

*The Bank of England*

‘A great evening and presentation by you and the team. What a great bunch of guys and TOUGH. The flight across to North Africa was pioneering stuff - that must be a first? If we can instill 1% of your self belief and determination in the Next Generation kids they will move mountains.’
